

FORTHEM Collective Short-Term Mobility

Workshop | Palermo, a city of stratifications of cultures and dialogue

Organising university: Università degli Studi di Palermo

Location of the event: Palermo, Sicily, Italy

Organisers: **SEARCH_Studenti Edile Architettura**, student association of the University of Palermo; **Angelo Guddo**, student and president of SEARCH; **Antonino Margagliotta**, professor of the Department of Engineering and coordinator of the cycle master degree in Building Engineering - Architecture; **Paolo De Marco**, PhD of the University of Palermo and honorary president of SEARCH.

Project description: Starting from the knowledge of the monuments of Norman architecture in Palermo, with the organization of a workshop with seminars, visits and experiential activities, we propose an approach to architecture as an instrument of communication, of cultural and ethical growth, through the knowledge of the other and, above all, through dialogue.
